

## Spend Less Time Gathering Data and More Time Acting On It

Save time and drive store-level improvements to your bottom line by bringing POS, payroll, guest experience, and other key data across your locations together into one single login.

Turn data into easy-to-act on insights for all management levels – from the C-suite to the street.

### Harness Data

- Single sign-on to multiple systems
- Easy to view, elegant dashboards showing key results
- Create customized reports

### Uncover Funds

- Easily reconcile sales data from multiple systems
- Uncover real-time prime cost with direct access to sales, payroll, and CoGS data
- Recover lost funds

### Seamlessly Communicate

- Automate and distribute reports
- Align communications across team members using one-on-one meetings and performance review
- Single source of truth

### Trusted by Over 1,000 restaurants

Insight360 is how leading multi-unit quick-service restaurant franchisees are achieving operational excellence and improving profitability.

## “What Our Clients Say”

Director of Training and Logistics  
Dunkin and Popeye's Franchisee  
110 Locations

“It was a challenge getting daily data, it was labor intensive. No longer, I save one to two hours per day”

Owner Operator  
Dunkin Franchisee  
26 Locations

“Data that used to take 10 days to see via P&L can now be seen the next day, which allows the data to become actionable. I now save about 2% on all costs.”

Owner Operator  
Dunkin Franchisee  
14 Locations

“Primary value is being able to go to one place to see all the data

Prior to Insight360 I would spend all day consolidating data, I now save an average of eight hours per week.”

CFO  
Dunkin Franchisee  
140 Locations

“I used to pull data manually, but now it is automated and saves me 4+ hours a day.”
